## DIGITAL LIBRARY

### 1. About Digital Library:

The Central library has a separate place exclusively devoted for a digital library. It has in housed with 10 independent machines. A patron can surf the internet, listen and watch academic related audios & videos in a digital library. Apart from this, the users from the digital library can also browse the parent library through Library OPAC (Online Public Access Catalog) and even subscribed electronic databases. The digital library is designed and developed keeping in view the shifting electronic environment and the day to day needs of students.

### 2. Electronic Databases:

Keeping in view the importance of research in the academic sector, the library has provided access to various electronic journal databases. Those databases cater to the research needs of its patrons. The following databases are subscribed by the library:
