

G. H. Raison College of Engineering and Management, Pune

Department of Electronics and Telecommunication Engineering

Journals/Conference Publications (2016-17)

S. No.	Academic Year	Name of the Staff Member	Designation	National/International	Title of the Paper publication	Name of the Journal/Conference	Year of Publication
1.	2016-17	Dr. Tanuja S. Dhope	Associate Professor	International	Empowering Users with Adaptive Privacy Policies for the Uploaded Images	International Journal of Engineering and Research	July-2016
2.	2016-17	Ms. Manisha Waje	Assistant Professor	International	A Novel Design of 6-Bit Flash ADC Design with Optimized Power Consumption	International Journal of Electrical and Electronics engineering	July 2016
3.	2016-17	Ms. Vaishali Raut	Assistant Professor	International	Design of 16 bit Quaternary adder using various Encoding Techniques	International Journal on Recent trends in computing and communication ,IJRITCC,	August 2016
4.	2016-17	Ms. Vaishali Raut	Assistant Professor	International	Review on Design of 16-Bit Quaternary Adder using Various Encoding	International Journal of computer applications	Sept.-2016

					Techniques		
5.	2016-17	Dr. Tanuja S. Dhope	Associate Professor	International	Performance Analysis of Spectrum Sensing Algorithm using multiple antenna in Cognitive Radio	Fourth International Symposium on security and computing and communications (SSCC'16)	Sept. 2016
6.	2016-17	Ms. Bharati Patil	Assistant Professor	International	Proactive Source Routing Protocol for Opportunistic Data Forwarding in MANETS	International Conference on Automatic Control & Optimization Techniques 2016	Sept. 2016
7.	2016-17	Mr. S. K. Waghmare	Assistant Professor	International	FPGA Implementation of I2 and SPI Protocols using VHDL	International Journal of Science and Research in Technology (IJSART)	October 2016
8.	2016-17	Mr. Ashish Gupta	Assistant Professor	International	A Compact Open Ended CPW-fed ZOR Antenna for Bluetooth Applications	Asia Pacific Microwave Conference, New Delhi, India	Yet to be published
