

Department: E&TC
Academic Year 2011-12
Final Year Project List

Sr. No	Project Title	Sponsor	Best/Average
1	Automatic anaesthesia Dispenser using DSP & EEG signals	No	Best
2	Microcotroller Based Electricity Thefting Detector & Controller	No	Average
3	GPS Based Container Tracking & Security System	No	Average
4	Wireless Sensor Network Air Pollution Monitoring System	No	Average
5	Intelligent Security System Based on Iris Detection	No	best
6	Real Time Gesture Based Automation Using FPGA	PANTECH Solutions Pvt Ltd, Pune	Best
7	Electronic Ticket Machine For Modern Transportation System	No	Average
8	Prepaid Electricity Billing System	No	Average
9	Labour Work Hour & Machine Run Time Counter	No	Average
10	Bilge Oil Water Separater	No	Average
11	Soldier Tracking System	No	Average
12	Automatic Penalty Charging For Traffic Regulation	No	Best
13	Touch Screen based Industrial Application System With GSM Using ARM Controller	No	Average
14	Antena Design For Detection Of Leakage From Microwave Oven	No	Average

15	An Automation Railway & Anti-collision & Speed Control Using Multimode TX and RX RFID	No	Average
16	Online Plant Management Using Embedded System	No	Average
17	Inventory Control For Stock Management Without Using PC	Scientech Technology	Average
