

Department:E&TC
Academic Year-2013-14
Final Year Project List

S N	Project Title	Sponsor	Best/ Average
1	Bus Transit information system	-	Best
2	Intelligent Shopping Trolley	-	Average
3	wireless portable self defensive machine gun	-	Average
4	Automatic ambulance rescue system	DSR Technologies, Pune	Best
5	Android based car control and safety for physically handicap people	-	Average
6	Tongue Driven Speaking Wheel Chair with wireless device control	-	Best
7	Mechanism for initiation of military warheads using electronics	DRDO (ARDE) Pashan,Pune	Best
8	Vehicle Accident Tracking and Theft Detection system	-	Average
9	Speedbreaker as a drives and control generation unit	-	Average
10	Protection from Leakage of gas from LPG cylinder	-	Best
11	RFID Based Automated Toll Tax Collection	-	Best
12	Robotic arm for sorting of colour object	-	Best
13	Real time detection of driver fatigue using DIP	-	Average
14	Multi function car	-	Average
15	Stack oxygen Measurement Using Lambad Sensor & Data Logging on SCADA	Forbes Marshal	Best

16	Speed synchronisation of multiple motors in Industries.	-	Average
17	Intelligent ambulance with patient monitoring	-	Average
18	Energy optimization using programmable devices	-	Average
19	Safe system using Biometric Device	GODREJ	Best
20	R-HEX all Terrain Millitary Robot	-	Average
21	Vehicle Collision Avoidance System for Vehicle	-	Average
22	Farm automation system		Average
23	Fruit quality management system	-	Average
24	Accelerometer based gesture recognition for controlling imbalanced traffic loads and emergency conditions	-	Average
25	Women security system	-	Average
26	Giving voice to mute people by using Flex Sensor	-	Best
27	Ultrasound based pipeline crack detection system	-	Average
28	Safe Driving Warning System Using Mobile Phone	-	Best
