DESCRIPTION ABOUT THE EVENT:

MHRD-GHRCEM's Innovation Council organized a half day workshop on "**Cognitive Skills, Design Thinking and Critical Thinking**" on **27th November 2018** for the students of First Year B. Tech. The resource person for the half day workshop was Dr. Ravindra Mhasade (Associate Professor & Head, Department of English, Ness Wadia College of Commerce)

86 students were present for the half day workshop. Awareness to the students was provided regarding what is cognitivism, Bloom's taxonomy in cognitive domain, Piaget's schema cognitive learning, and thinking: cognitive skills, what is design thinking-process and what is critical thinking & its application. Workshop was interactive. The students were extremely motivated for setting their goals and to think out of box. The expert guided them with some suggestions required to fulfill individual's goal. The students of F.Y. B.Tech participated in it with great zeal and enthusiasm and hence made the program a grand success.

The event was graced by the presence of Hon. Shri Ajitji Tatiya (Trustee Director, RGI Pune Campus), Dr. K.K.Paliwal (Director, GHRCEM), Dr. Vaibhav Hendre (Deputy Director, Admin).
