

## Expert Talkon “Named Architecture : A next generation Internet Architecture”

Caption: **Expert Talk on “Named Data Networks : A next generation Internet Architecture”**

### Description about the event

Information Technology Department & R & D cell of GHRCEM, Pune has organized expert lecture on “Named Data Networks : A next generation Internet Architecture” on dated 13<sup>th</sup> July 2018 from 9.15 am to 12 pm for the students of Computer & IT Department GHRCEM ,Pune. Mrs. Simran Khiani(HOD ,IT) welcomed Dr. mohit Tahiliani , Asstitant Professor, NIT,Suratkal .

Dr. Mohit Tahiliani gave information about Named Data Networks : a next generation internet architecture NDN is an entirely new architecture, but one whose design principles are derived from the successes of today’s Internet, reflecting our understanding of the strengths and limitations of the current Internet architecture, and one that can be rolled out through incremental deployment over the current operational Internet. Also discussed real time applications where it can be used for better performance.

Dr. Tanuja S. Dhope requested Dr. Mohit Tahiliani to guide the faculty members regarding how to write research proposals. Dr. Mohit Tahiliani interacted with faculty members of Computer, Information Technology Department , GHRCEM for funding information and how to do industry institute interaction for funded projects from various industries.

Total 12 faculties and 135 students( IT and Computer) were present for this expert talk. The expert talk was concluded by vote of thanks by Ms. Shabda Dongaonkar. Continuous support and motivation from Raisonni Management, Shri. Sunil Raisonni (Chairman, RGI), Shri. Ajit G. Tatiya (Trustee Director, RGI, Pune), Dr. Vaibhav Hendre (I/C Director, GHRCEM, Pune) and faculty members made this event a grand success.
