

Research Publication

SN	Academic Year	Name of the Staff member	Designation	National / International	Title of Paper Publication	Name of the Journal/Conference	1st Author	2nd Author	3rd Author
1	2011-2012	Mr.A.S.Pote	Asst.Prof	National	Residual Energy of Labyrinth	National conference Hydro 2012IIt Bombay	A.Pote	A.D.Ghar e	
2		Mr A.B.Shelar	Asst.Prof	National	Solid waste management	National conference on "Engineering Trends In Engineering &	R.Zope	A.Shelar	S.Katka r
3				National	Flyash based geopolymer concrete	National conference on "Engineering Trends In Engineering &	A.Shelar	Ajay Shelar	
4			Mr.G.V.Joshi	Asst.Prof	International	Sesimic performance of brace steel	International research conference on management,Technolog	Girish Joshi	D.Jade
5	2012-2013	Mr.A.B.Shelar	Asst.Prof	National	Environmental Impact	National conference on Emerging trends in	M.Shela r	A.Shelar	Ajay Shelar
6	2012-2013	Mr.G.V.Joshi	Asst.Prof	National	Recycling of construction &	National conference on Emerging trends in	D.Jade	Girish Joshi	
7	2012-2013	Mr. D.M.Jade	Asst.Prof	National	Carbon fibre reinforced	National conference on Emerging trends in	D.M.Jade	G.Joshi	
8	2012-2013			International	Sesimic performance of brace steel	International research conference on management,Technolog	D.M.Jade	G.V.Joshi	
9	2013-2014			National	Recycling of construction &	National conference on Emerging trends in	D.M.Jade	G.V.Joshi	
10	2014-2015			International	Seismically isolated still braced frane structure with	D.M.Jade	L.Dodda mani		
11	2014-2015			International	Light weight Scissor	D.M.Jade	G.R.Patil		

12	2015-2016			International	Analysis of Light Weight Scissor Deployable Structures with	D.M.Jade			
13	2014-2015	Mr. Pushkar Bhamare	Asst. Prof	International	Plasma Pyrolysis option for bio	International journal of science & research	P.Bhamare	S.B.Thakare	
14	2014-2015		International	Bio Medical waste disposal system for pune	International journal of science & research	P.Bhamare	S.Gawande		
15	2014-2015		International	Problem associated with bio medical waste	International journal of science & research	P.Bhamare	S.Gawande		
16	2014-2015	Mr. R.T.Jyoti	Asst.Prof	International	Study of effect of variation of sharp crested weir height & base width	International journal of Advanced Engineering Research & studies	R.T.Jyoti	S.Hailkar	N.J.Sathe , S. Kulkarni
17	2015-2016	Mr. Nirajkumar Dubey	Asst.Prof	International	Movement Analysis of masonry to construct	International journal of Engineering Research	Tanmay Hon	N.C. Dubey	
18	2015-2016	Priyanka Khedkar	Asst.Prof	International	Parametric study of fixed beams using	International journal of Engineering Research	P.Khedkar	G.Joshi	
19	2015-2016	Ms. Jyoti Barge	Lecturer	International	Comparative Study for Desilting		J.A.Barge	A.A.Warudkar
