INSTITUTE VISION & MISSION

VISION:-

To achieve excellent standards of quality education by
Keeping pace with rapidly changing technologies.

To create technical manpower of global standards with
Capabilities of accepting new challenges.

MISSION:-

Our efforts will be dedicated to impart quality and
Value based education to raise satisfaction level of all
Stake-holders. Our strength will be directed to create
competent engineers. Our endeavor will be to provide all
support to promote Research& development activities.

Objectives

- The Research Promotion Cell of G.H. Rasoni College of Engineering and Management, Pune aims to nurture research culture in the institute by promoting research in newly emerging and challenging areas of science and engineering.
- It encourages the Undergraduate, Post graduate and Doctoral degree candidates to undertake the research in newly emerging frontier areas of science and engineering including multidisciplinary fields. This enhances the general research capability of budding technocrats by way of participating in conferences, seminars, workshops, project competition, etc

Creativity & Innovation Activity through Microcontrollers

Practical Session on Creativity and Innovation through Microcontrollers
