DEPARTMENT OF E&TC

Guest Lecture on topic -state variable techniques

By

MS. ASHWINI NAVGHANE

Date : 19 September 2018

Description of the activity

The department of Electronics and Telecommunication organized a guest lecture under ISF Chapter on the topic "State Variable Techniques" on 19th September 2018 for TE (E&TC) Students. A total of 100 students from TY-A and TY-B divisions were present for the guest lecture. The guest lecture was coordinated by Dr.Pravin R. Kshirsagar, (Associate Professor, Incharge HOD) and delivered by Ms. Ashwini Navghane, Assistant Professor at VIIT. Dr.K. K. Paliwal (Director,GHRCM), and Dr. V. S. Hendre (Deputy Director-Admin) welcomed Ms. Ashwini Navghane on behalf of G. H. Raison College of Engineering and Management. Dr.K. K. Paliwal, Director (Director,GHRCM) shared his words of wisdom with all. Ms. Ashwini Navghane then started the session and shared all her technical knowledge with the students on the topic of State variable Techniques.

The students were very curious about advanced Control System Engineering and had a good interactive session with Ms. Ashwini Navghane. The guest lecture ended with a vote of thanks given by Dr. Pravin R. Kshirsagar
