Activity News

Activity -1: Patent Drafting & Filing

Date: 04-08-2018

An activity "Patent Drafting & Filing" was conducted in Department of Electronics and Telecommunication .Dr. Pravin R. Kshirsagar, Associate Professor, Incharge HOD, E&TC Dept and Mr. Akshay Pote (S.Y. MTech) delivered and organized the activity. The patent drafting and filing related real time concerns were explained by them. Dr. Pravin R. Kshirsagar more focused on the ideas related to creativity and innovation. Students were eager to know the process of patent filing and drafting for different systems. The students planned to develop unique systems and achieve patent for them. They were very enthusiastic about the same.
