

Computer Department :Avishkar Project Competition Selected Groups

CAPTION: AVISHKAR -STATE LEVEL PROJECT COMPETITION SELECTED PROJECT GROUPS

Description about Avishkar State level Project Competition:

Savitribai Phule Pune University has Board of College and University Development (BCUD) for progressive growth in Research and Development. BCUD aims to motivate students of different streams like social science, healthcare, agriculture, engineering and technology at UG, PG, Ph.D level and faculties also to think innovatively and uniquely in research way to benefit societies. SPPU has started Avishkar in 2006 to give platform to young and dynamide students from rural areas and colleges in pune city. Every year they register innovative ideas from all ends of state and further evaluated by experts.

Ms. Poonam Gupta (HoD-Computer) has given brief process of competition by sharing her experiences. Students were statisfied by the eyeoperner sessions and willing to participate in Avishkar-2019. Computer Department have submitted 17 innovative ideas of final year students through individual logins of students on 30th Septempber 2018. The project coordinator **Mrs. Mansi Bhonsle** and guides assisted their project groups to complete the process of registration. The 10 groups out of 17 groups were selected for second round. the second round will give chance to present A3 size poster of project groups ideas. The final rounds will be scheduled in Janaury -2019 at SPPU-Pune.
