

SELECTION FOR SIX MONTHS INTERNSHIP AND PLACEMENT OF GLOBALSTEP

Caption: Selection for 6 months internship and placement in Globalstep

Description about the Selection Process:

Internships have become a major aspect in every student's personal growth and development. Internships give students tremendous understanding of a particular industry and helps them make a well-informed career choice. This importance implies a need to provide more and better opportunities and variety to the student community. It is also the part of curriculum. Keeping this in mind, the Training & Placement Cell of RGI, Pune have organized the internship and campus placement drive by Globalstep On 20th December, 2018.

In the first phase, Group Discussion was arranged during 10:00AM to 2:00PM. Total 80 students of T.Y. BTech IT have appeared for this drive For the second phase, 20 students of TY have shortlisted for the interview process. In this final process 04 students of TY IT are finally selected for the 6 months internship with a stipend of 3000-7000.

For this entire process, T&P officer Mr. Sachin Umare, T&P Coordinator Dr. Premendra Bansod and HOD IT Ms. Simran Khiani have guided the students and these students will be benefited to work with this MNC through internship.
