

# GHRCEM-IT Department

**CAPTION: Guest lecture on “Realization of Real Scale Social Simulations”**

**Description about the Guest lecture:**

On 2<sup>nd</sup> February 2019, IT Department, G. H. Raisoni College of Engineering and Management, Pune organized an Guest lecture on **“Realization of Real Scale Social Simulations”** by **Dr. Tadahiko Murata, Kansai University, Japan**

Ms. Geeta Atkar, Assistant professor welcomed guest. Session was mainly organized for students of all year TY students. He started session with his research project on Real scale Social Simulation. He gave detail information about challenges faced that research project. Also he motivated students with recent trends in software industries in JAPAN.

Session was very interactive. He cleared doubts of students as well. Students asked questions about how to collect datasets for real life problems?, Which languages can be used for developing different projects?.

Dr. K.K.Paliwal(Director) had interaction with expert for future collaboration with institute.
