Event Title: Workshop on "Android Application Development"

PHOTOGRAPH OF THE EVENT:

CAPTION: WORKSHOP ON ANDROID APPLICATION DEVELOPMENT

G.H. Raisoni Engineering and Management, Wagholi, Pune, Department of Information Technology, organized workshop on "Android Application Development" under IEEE Computer Society chapter, pune on 1st March 2019. Prof. Simran Khiani, Head of Information Technology welcomed and introduced the guest Mr. Nishikant Shinde, Astrike Infotech. He started the workshop with the Current trends of Android development and its advantages and disadvantages. He explained them the benefits and changes it will bring to day-to-day activities and how it can benefit them irrespective of their branch. He discussed the importance, usefulness and impact of apps in today's digital world. He briefed the students about the types of validation, basic hardware and software requirements for android development. He provided insights about Android development. He explained them app architecture, app components and app resources. He not only explained it analytically but also demonstrated by creating an app with the students. Even the students got a chance to experiment with their coding skills on Android Studio.

62 students from T.Y. B Tech IT attended the workshop and were benefited by the workshop. At the end of the programme, Prof. Shabda Dongaonkar proposed vote of thanks. The workshop was organized by Prof. Shabda Dongaonkar under the guidance of Prof. Simran

Khiani, HOD, Information Technology Department.
