G.H. Raisoni Engineering and Management, Wagholi, Pune, Department of Information Technology, organized workshop on "Python" under Information Technology Student Association(ITSA) 8th March 2019. Prof. Simran Khiani, Head of Information Technology welcomed and introduced the guest Mr. Vishal Gosavi, IEVision Pvt. Ltd. The objective of workshop is exploring Python Programming from Fundamentals to Advanced Topics that are helpful for the penultimate year of engineering students especially in Computer Science and Information Technology. This workshop also had a significant amount of hands-on hours of practice of all concepts of Python. He stated that all the students were very active and made the workshop fruitful. He also advised all the participants to continue their practice in the technologies rendered in this workshop to become skillful and benefit for the challenging job roles. 90 students from SY and TY B Tech IT attended the workshop and were benefited by the workshop. At the end of the programme, Prof. Poonam Dhamal proposed vote of thanks. The workshop was organized by Prof. Poonam Dhamal under the guidance of Prof. Simran Khiani, HOD, Information Technology Department.
